# Instruction for Sorting out waste and materials in the household

A lot of waste is recycled and for that reason it should be collected separately.

**The following things are part of the basic house equipment**

- The Blue Paper Dustbin
- The Green Bio-Dustbin
- The Black Remaining Refuse Dustbin
- The Yellow Bags

The different dustbins and the Yellow Bags are emptied/removed at fixed dates.

**On no account is it permitted to put mixed waste into one dustbin!**

**In all parts of the town there are**

- Glass Containers for white glass, green glass, brown glass

**Bulky refuse is picked up at given dates.**  
Registration is necessary in Untertaunus!
